19. COMBINATION RATES (Check appropriate box)

- ☐ The rates and charges in this tender may be used as factors in the construction of any combination through rates, charges or other provisions.
- ☐ The rates and charges in this tender may be used as factors to make combination rates and charges to and/or from other points of origin and destination, provided that such other points are not more than thirty (30) highway miles distant from the pertinent point of origin or destination named in this tender. The distance shall be measured from (1) the nearest boundary, in the case of designated commercial zones; (2) the nearest corporate limit, in the case of incorporated communities not in commercial zones; or (3) the nearest post office within other points of origin or destination.
- ☒ The rates and charges in this tender may not be used in construction of combination rates or charges.

20. GENERAL TERMS AND CONDITIONS

a. *Lawful Performance: Operating authorities*

The carrier(s) represent(s) to the United States that the services provided in this tender will be performed in accordance with applicable Federal, state and municipal laws and regulations and the carrier(s) hold(s) the required operating authority to transport the commodity from, to, or between the places specified in the authorized certificates, permits or temporary operating authorities.

b. *Charges and allowances*

Except as otherwise provided in this tender, shipments made under the provisions of this tender are entitled to those additional services and privileges as are provided in separately published tariffs or tenders to which the carrier(s) participates, including additional tariffs, rates, charges, rules and regulations applicable to such services and privileges.

c. *Payment*

Except for shipments covered by item 21(3) or 21(4) below, the carrier shall bill the United States on Standard Form 1103, Public Voucher for Transportation Charges, appropriately supported. Carriers shall send bills to the "Charges to be billed to" address shown on the face of Standard Form 1103, U.S. Government Bill of Lading.

d. *References*

Where reference is made in this tender to an item, tender, tariff or classification, the reference shall be construed to include the supplements, amendments or reissues of that item, tender, tariff or classification, unless otherwise specified in this tender.

e. *Cancellation or amendment of tender*

This tender may be canceled or amended by the carrier(s) on written notice of not less than thirty (30) calendar days, except for shipments made from the original point of origin (or port of importation, where appropriate) before the effective date of the notice and except for any accrued rights and liabilities of either party to the tender. Cancellations or amendments may be made upon shorter notice by mutual agreement between the Government and the carrier(s) concerned.

f. *Filing with regulatory bodies*

The carrier(s) certifies (certify) that, where required, the necessary copies of this tender shall be filed concurrently with the Interstate Commerce Commission as stated in Section 10721 (b)(2) of the Interstate Commerce Act, or with other regulatory bodies, as appropriate.

g. *Alterations and volume of traffic*

This tender shall not apply where charges for service provided under this tender exceed charges otherwise applicable for the same service. Receipt and acceptance of this tender by the Government shall not be considered as a guarantee to the carrier of a particular volume of traffic described in this tender.

21. CARRIER(S) OFFER AND INSTRUCTIONS

I am (we are) authorized to and offer on a continuing basis to the United States Government (subsequently called the Government), based on Section 10721 of the Interstate Commerce Act or other appropriate authority, the transportation services described in this tender, subject to the terms and conditions stated in this tender. The property to which rates apply must be shipped by or for the Government (1) on Government bills of Lading; (2) on commercial bills of lading endorsed to show that such bills of lading are to be exchanged for Government bills of lading at destination or converted to Government bills of lading after delivery to the consignee; (3) on commercial bills of lading showing that the Government is either the consignor or the consignee and endorsed with the following legend: "Transportation under this tender is for the Department of Energy (Name the specific agency, such as U.S. Department of Defense), and the actual total transportation charges paid to the carrier(s) by the consignor or consignee are assignable to , and are to be reimbursed by the Government", (4) on commercial bills of lading endorsed with the following legend: "Transportation under this tender is for the Department of Energy (Name the specific agency, such as U.S. Department of Defense), and the actual total transportation charges paid to the carrier(s) by the consignor or consignee are to be reimbursed by the Government, according to cost-reimbursable contract no. \_\_\_\_\_. This may be confirmed by contacting the agency at Albuquerque, NM.

The table titled Household Goods Single Factor Rates will be multiplied by a factor of 150% to determine the proper billing charge. The applicable weight will be based on the actual weight of the shipment plus any weight additives. The single factor rates include:

- a) Linehaul Charges
- b) Packing Labor
- c) Packing Materials (excluding wooden containers)
- d) Additional Transportation Charges
- e) Small Shipment Charge
- f) Full Value Protection of \$75,000 (includes transportation and Storage-In-Transit)
- g) Extra Labor for up to four (4) hours
- h) Piano/Organ Handling
- i) Elevator, Stair and Excessive Distance Carries
- j) One (1) Extra Pickup/Delivery
- k) Loading and Unloading
- l) Packing and loading items from basements and attics (except crawl spaces)
- m) Insurance Related Surcharge

The table titled Schedule of Rates for Additional Services will be multiplied by a factor of 100% to determine the proper billing charge. The Schedule includes rates and charges for:

- a) Unpacking Labor with the exception of mattress and mirror cartons, which will be unpacked at no charge
- b) Packing/Unpacking Labor and Material for wooden containers
- c) Extra Labor over four (4) hours
- d) Auxiliary Service (Shuttle Vehicle only)
- e) Waiting Time (Vehicle Only)

~~The services listed above must be pre-approved and authorized by the appropriate Office prior to performance in order to be billed.~~

Transportation

Schedule of Rates for Storage-In-Transit will be multiplied by a factor of 120% to determine the proper billing charge. The Schedule includes rates and charges for:

The Table titled Schedule of Rates for Storage-In-Transit will be multiplied by a factor of 120% to determine the proper billing charge. The Schedule includes rates and charges for:

Day of Storage  
Additional Day of Storage  
House Handling  
Charge from or to Storage

- a) First Day
- b) Each Additional Day
- c) Warehouse
- d) Drayage

The number of days of reimbursable storage will be determined by each Transportation Office and specified on the shipping documents issued to the Carrier. If no specification is provided by the Transportation Office, the number of days of reimbursable storage will be 180 days. Shipments remaining in storage after the end of the authorized reimbursable time period will be converted to permanent storage using local rates at the property owner's expense.

The Drayage Rate applies within a 30 mile radius of the storage warehouse. For distances between 31 and 50 miles at a rate of \$15.80 per cwt. will apply. For distances exceeding 50 miles Drayage Charges will be based applying a factor of 65% to the rates in Section 3 of Tariff HGB 415-D in effect on December 31, 1995.

The table titled Schedule of Rates for Automobile Shipment will be multiplied by a factor of 200% to determine the proper billing charge. The Schedule includes rate and charges for:

- a) Transportation
- b) Up to \$20,000 off actual cash value protection.

Storage of automobiles will be performed at the Storage-In-Transit rates indicated above.

#### **Additional Pricing Considerations**

- a) Third party charges are not included in the single factor rates. Third party charges will be in addition to the charges produced by the single factor rates.
- b) Bulky Article Handling Charges do not apply.
- c) Overtime loading and unloading will be performed at the discretion of the carrier at no additional charge.
- d) Rates and charges for services not listed above that are necessary for the performance of a move will be based upon those found in Tariff HGB 415-D in effect on December 31, 1995, multiplied by a factor of 65%. Unless authorized by the appropriate Transportation Office, the property owner will be responsible for payment of these charges.

#### **Additional Considerations**

- a) When a conflict arises between the Bill of Lading and or other sources, the provisions of **this Tender** will apply.
- b) ~~Cancellation of this Tender by either party requires sixty (60) days written notice.~~
